

Seeking Event Operations Support (EOS) Staff

Make memorable experiences for our clients!

As an Event Support Staff team member, you will help guests feel welcome and ensure that they enjoy themselves while immersed in their time with us.

The Fair Park is looking for highly organized candidates with excellent interpersonal skills for the position of operations support staff. Event Operations Support is responsible for maintaining a clean and well-run event and troubleshooting situations that arise during an Event, among other duties.

Moreover, Event Operations Support Staff team members need to constantly be on their feet and attend to the many needs of event-goers, requiring physical stamina and high energy levels.

Join our team of rotational, part-time staff! Contact the Washington County Fair Park offices at info@wcfairpark.com for immediate openings.

Responsibilities

- Greet the client; respond to client needs and requests before and during the event.
- Work closely with the Event Coordinator to assist with executing event details per the client specification.
- Assist bartenders with stocking.
- Event trash removal. (during and post event clean up)
- Provide necessary access to facilities; Ensure facilities are locked and secure at close.
- Set up and tear down events. (i.e. Chairs, tables, A/V equipment, etc.)
